Writing Assignment:

You will write a 7 – 12 sentence paragraph to describe a movie poster, which will include the following: the producer (the author's name), director (your name), at least 3 scenes with at least one scene being of the monster. Include the actors and actresses who will star as Victor, Robert, Justine, Elizabeth, and the monster. Then you will make a full-sized poster (Poster board size) that is colorful and advertises the upcoming movie. It might be easier to make the poster first and then write the paragraph that describes it.

This is due Friday, August 28, 2020 at 8:00 am. In other words, bring it to me before 1st period. I do not accept late work.
